- A - ng-disabled directive can enable a given control.
- B - ng-disabled directive can disable a given control.
- C - Both of the above.
- D - None of the above.

**Q 10 - Which of the following is true about ng-show directive?**

- A - ng-show directive can show a given control.
- B - ng-show directive can hide a given control.
- C - Both of the above.
- D - None of the above.

**Q 11 - Which of the following is true about ng-hide directive?**

- A - ng-hide directive can show a given control.
- B - ng-hide directive can hide a given control.
- C - Both of the above.
- D - None of the above.

**Q 12 - ng-click directive represents a AngularJS click event.**

- A - true
- B - false

**Q 13 - How angular.module works?**

- A - angular.module is used to create AngularJS modules along with its dependent modules.
- B - angular.module is primarily used to create application module.
- C - Both of the above.
- D - None of the above.

**Q 14 - angular.module is primarily used to create application module.**

- A - true
- B - false

**Q 15 - Which of the following is true about \$dirty flag?**

- A - \$dirty flag states that value has been changed.
- B - \$dirty flag states that form has invalid data.
- C - Both of the above.
- D - None of the above.

**Q 16 - Which of the following is true about \$invalid flag?**

- A - \$invalid flag states that value has been changed.
- B - \$invalid flag states that form has invalid data.
- C - Both of the above.
- D - None of the above.

**Q 17 - Which of the following is true about \$error?**

- A - \$error states that form has invalid data.

B - \$error states the exact error.

C - Both of the above.

D - None of the above.

**Q 18 - Use novalidate with a form declaration to disable any browser specific validation.**

A - true

B - false

**Q 19 - Which of the following is true about ng-include directive?**

A - Embed HTML pages within a HTML page using ng-include directive

B - Embed JS files within a HTML page using ng-include directive

C - Both of the above.

D - None of the above.
